CONTINUING PROFESSIONAL EDUCATION

Section 21 of the Physiotherapists Act 2001 requires a registered physiotherapist to provide details to the Board of any continuing professional education undertaken by the physiotherapist during the return period.

Using the log sheet below, please list the professional education activities that you have undertaken in the last 12 months. Use the following categories to indicate the type of activity: Conference, Course, Journal Club, Lecture, Postgraduate Studies, Presentation (include teaching, lectures, seminars & posters that you have presented outside your normal working role. (Do not include repeat presentations), Publication, Reading (include articles, book chapters & on-line resources that are of professional relevance), Research, Workshop, (include symposia & seminars), Video or Audio.

Title (or Subject) of Activity	Presenter	Location	Type of Activity	Duration (Hours)
