PROFESSIONAL INDEMNITY INSURANCE REQUIREMENTS

The *Health Care Liability Regulation 2007* was implemented on 1 September 2007. The Regulation specifies the classes of health practitioners who are required under section 25 of *Health Care Liability Act* to be covered by approved professional indemnity insurance and the classes of health practitioners who are exempt from that requirement.

A copy of the relevant sections of the regulation plus a copy of section 25 of the *Health Care Liability Act 2001* (the Act) is enclosed for your information.

Section 25(2) of the Act provides that a person (declared by the regulation) is not entitled to practise as a health practitioner (in New South Wales) unless covered by professional indemnity insurance. Section 25(4) of the Act goes on to say that “Practising as a health professional without being covered by professional indemnity insurance is, for the purposes of the relevant health registration Act, (ie the *Physiotherapists Act 2001*), unsatisfactory professional conduct.”

Section 25(3) of the Act prescribes that the appropriate registration authority (ie the Physiotherapists Registration Board):

- a) must not register a person as a health practitioner unless the authority is satisfied that the person will, while practising as a health practitioner (in New South Wales), be covered by professional indemnity insurance, and
- b) may cancel or suspend the registration of a person as a health practitioner if the authority is satisfied that the person is not covered by professional indemnity insurance while the person is practising as a health practitioner (in New South Wales).

(2) A person is not entitled to practise as a health practitioner unless the person is covered by professional indemnity insurance.
